Current COVID-19 Impacts

- In the interest of community safety we have increased our social distancing requirements, we ask that only 1 adult family member attends the consultation.
- Please answer screening questions from staff at time of booking.
- If you, or anyone you are living with, is currently under mandatory self isolation , please contact the clinic prior to your appointment.
- If you, or anyone you are living with has been unwell in the last 7 days, please contact the clinic prior to your appointment. (this includes cold and flu symptoms).
- Please follow physical distancing rules and stay at least 1.5mtr apart form others
- Please sanitise your hands on entering and leaving the building
